

Our Mission

"The Kiwanis Club of Stevens Point is a social group serving youth and families with compassionate generosity in the greater Stevens Point community."

Why become a member?

"Kiwanis has been a part of my life for almost fifty years and I have enjoyed every minute of it: great friendships, stimulating speakers, outstanding outreach with the youth, and enjoyable food. Come and join us!"

~Orland Radke

"I learn something new at every meeting, sometimes from the speaker and sometimes from people at my table. It is a very welcoming group of friends having lunch for a good cause on Tuesdays." *~Marg Coker-Nelson*

"I enjoy the community service and the fellowship of our interesting members. We share a deep love and respect for our community, and serve it thoughtfully, with emphasis on young people and families. Ours is just a normal-but-unique group who enjoy our time together as we try to do good for others." *~Roy Menzel*
